

Bradford Music Club

To Bradford Music Club members & others:

A Happy New Year to Music Club members and supporters! We hope you have had a relaxing and mellow Christmas – albeit a wet one if it was celebrated in the UK. If you have been directly affected by the flooding, many commiserations.

Thank you to those of you who performed at the December 20th concert and helped to create a festive and poignant evening. We were delighted with the number of people who came and supported the concert and Amnesty International.

The January Music Club concert is coming up on SUNDAY 17TH STARTING at 7pm. This is to remind you that it will be an OPEN FLOOR NIGHT and you are welcome to come and perform. Come with one or more items -, if possible by 6.45 and sign up. The compère for the evening will sort out a running order. There will be the usual refreshment break. Of course, people are welcome to come just as part of the audience.

This is to wish you good music making for 2016.

With best wishes

Joy for the Bradford Music Club.

Kindly note: Anyone wishing to video the event or to make a sound, photographic or other record to please obtain permission from the individual performers in advance.

It would be much appreciated if a one or two people with good backs could assist with furniture moving before and after the concert (piano & table). If you can help beforehand, kindly come for 6.30 p.m.
