To performers, audience members and others

## July 19<sup>th</sup> 7-9 pm Open Mic concert Call-out for musicians, singers, audience & all!

We are inviting you to this month's concert, either to perform one or two items or as an audience member (who may well be invited to participate). The format will be similar to the February 14<sup>th</sup> concert where people were asked to come by 6.45pm and let the organisers know they wish to take part.

There will be an interval with refreshments.

If you wish to perform, please give your name to Don Edbury the Music Club treasurer when you arrive. We will then compile the programme and advise you on the order. The number of people wishing to perform will determine how many songs or pieces we may request. Any queries – please contact Joy or Julie via the website, email address or mobile phone no above.

The Compère for the evening will be Aisha Walker

Should you be on holiday this month – the Bradford Music Club would like to wish you a safe and happy summer break.
